

Here is some good news for all of you who truly enjoy great, world-class music of unparalleled quality!

The Hemet Concert Association (HCA) is alive and well! In fact, the HCA has fully awakened from its Covid-19 hibernation. Your HCA Board of Directors has been working hard to prepare, for you, a dynamic 2021-2022 concert season! It will be full of musical surprises.

As your HCA President, I promise that this new season will be one of the best that you have ever experienced.

Our first of five concerts will be presented by the Hot Club of San Francisco on Sunday, October 24, 2021. This is an exciting group that will certainly get your toes tapping, bring you a smile, and cause your heart to beat a little faster. Doors will open at 2:00 p.m. and the concert will begin at 2:30 p.m. When you leave the Performing Arts Center after our first concert we anticipate you will be saying, "This concert was worth waiting for!"

And here is some more good news! The Hemet Unified School District (HUSD) has given us permission to continue to use its beautiful Tahquitz High School Performing Arts Center. So, please make sure you and your friends are vaccinated and stay healthy as we all look forward to the upcoming music season.

Details and dates of the other four concerts (all in 2022) are nearly determined. We are sure you are wondering if there will be opportunities for you to become a Patron or a Subscriber. The answer is "Yes!" You can expect to learn of those details very soon, in early June when we send out the concert season brochure and form for you to join the HCA.

Also in early June, you can check the [www.hemetconcerts.org](http://www.hemetconcerts.org) website for all of HCA's 2021-22 concert season information. You will find our contact information there, too.

For the safety of all, adherence to pandemic guidelines may affect the way tickets and subscriptions are sold and concerts are presented.

Thank you for your continued support of world-class music for family, friends, and visitors in the San Jacinto Valley and surrounding areas.

Tom Garnella, President  
HCA
